Alan,

Valois Shea (project lead) and Douglas Minter (UIC unit chief) will contact Bill directly early next week to answer any questions that you may have. My quick attempt to find an email (could only locate phone) was unsuccessful. And rather guess at his email, could you please let Bill know? I have also cc'd Valois and Douglas to facilitate communication.

Thanks, Wendy

All,

Wendy Cheung from EPA-R8 will be on the call. Does anyone have any questions/issues that require answers/direction/guidance from the EPA on their specific projects?

Thank you,
Alan

All,

We will, finally, be catching up on our quarterly conference calls for uranium recovery projects this Sep. The date will be Wed, Sep 02, 2015 at 1000 EDT. I will get a bridge line and, if possible, a conference room.

All Safety PMs, please be prepared to give an update on your projects. Environmental PMs, be prepared to answer any questions that may come up regarding, Sec 106 and NEPA actions.

I will send out a draft agenda, later this week.

Thank you.
